

4K Milk Is Returning!

The option to enjoy a refreshing cup of milk at snack is returning to the 4K program. There will be an initial charge of \$20.00 to participate in the program. The \$20.00 charge is expected to cover the cost of the cups and milk for the entire school year. If you would like your child to enjoy milk during their snack time please fill out and return the bottom portion of this form. Please mark no and return if you wish to waive this option.

At this point, it is my understanding that there will only be white milk available. If your child asks for milk and you have not paid, and do not qualify for the Free/Reduced Lunch Assistance, we will contact you and ask for you to either speak with your child about asking for milk or pay the fee.

If you have further questions about the new program please feel free to contact Mr. Dziejcz, Mrs. Olson, or one of us.

Thank You,
Mrs. Volkmann and Ms. Barber
